Picture this. Early morning, sun rising over the harbour to the east, enjoying an early coffee from the comfort of your own balcony. Taking in what the new day has on offer. Also, on offer is this 2-bedroom, 2-bathroom apartment situated in Stuart Park, within walking access to everything you need. If convenience and location are what you need, then this property is a must see. Situated in the "Monsoon" complex, the property occupies a prominent position on the second floor overlooking the pool and lawns below. With water views to the east and city views straight from your balcony, the home is perfectly situated. The complex itself is clearly one of the more stylish designs of recent times and has an excellent floor plan. The large balcony is a genuine feature and you'll spend a significant amount of time there. Complimented by large ceramic floor tiles, shadow-line ceilings and a neutral colour palette, the home feels stylish, light and breezy. Kitchen is contemporary with plenty of cupboard space. Tinted louvres throughout the home are also a great addition.

- Just 13 homes in the complex
- 2 undercover parks and storage
- Large pool for complex use
- Luxe kitchen
- Built-in robes in both bedrooms
- Impeccably presented
- Large balcony with concertina sliding doors
- Beautiful morning orientation to the east
- Impeccable location and convenience

The home will suit those with many needs. First home buyers, investors and those looking for a holiday apartment in the tropics.
