Peacefully positioned at the rear of this quiet boutique block as one of only eight residences, this spacious ground floor haven is bathed in abundant natural light, occupying a prime position on the doorstep of High Street trams, moments from nearby parks, Glen Iris station, the M1 Freeway, High Street shops, cafes and supermarkets, Glenferrie Road entertainment and Malvern Central. High ceilings and a sunny westerly orientation elevate spacious open plan living and dining interiors offering plenty of room, opening out to a balcony relishing leafy environs. A generous, updated central kitchen welcomes north facing light through a large window, featuring clever pull out pantry storage and stainless steel appliances, with scope to personalise/add value if desired. Accommodation comprises two sizeable bedrooms with mirrored built in robes, serviced by a beautifully renovated bathroom with double vanity, walk in shower, Euro laundry and under floor heating for true comfort in the winter months. Rarely available within apartment living, the property also offers a lock up garage accessed via rear laneway, split system heating/cooling, intercom, secure entry, storage and a wall heater.
