An inspiring address where convenience is king, this original offering of low-maintenance charm presents within walking distance to Frankston Power Centre, PARC and Frankston Train Station, while remaining only moments from Bayside Shopping Centre and easy freeway access. Meeting the needs of downsizers with easy care gardens and 'lock and leave' potential, the home conceals untouched yet spacious interiors within a welcoming 395sqm (approx.) flat allotment. Classic charm embraces generous proportions as light-filled interiors provide comfortable living across a dedicated lounge with built-in cabinetry, open meals and kitchen with original appliances, a family bathroom and two spacious bedrooms. Extending liveability to the rear, a private bungalow adds a dedicated hobby space or third bedroom for guests or older children, serviced by a secondary toilet with exterior access while encased by easy-care gardens and a rear patio with awning. Complete with ceiling fans, roller blinds, a green house and rear shed, a single garage and a private frontage, this rear unit of only six provides a downsizing opportunity for those who remain lifestyle-focused without the desire for continual up-keep.
