Secure a slice of low maintenance tranquility thanks to the sparkling spaces of this light-filled courtyard apartment. Located in a boutique low rise development, just moments from Carnegie's vibrant hub, this is a great base for a busy lifestyle or hugely appealing investment opportunity. Offering a very liveable layout with that all important distinct entrance hall, the accommodation comprises a free-flowing living and dining area that extends from a contemporary kitchen boasting silky stone benchtops, quality stainless steel appliances and an island bench for casual meals. Outside, is a large alfresco courtyard extending the living space into the fresh air and offering ample room for a dining table to entertain friends. Both of the bedrooms are generous doubles, the master with a walk-through robe to the modern two-way bathroom - fitted storage is also offered in the second bedroom which enjoys access to a private patio. With the comfort of split system heating/cooling and including the convenience of a secure basement car space and storage cage, the home is wrapped up by a Euro laundry and intercom entry. Under 500m to the station for the easiest workday commute and even closer to dining options, shops, trams & buses, this prime position is near Carnegie Primary School & childcare. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
