Unit 6 in this very tidy small complex has come up for sale. Located on the second floor facing east/west keeps this unit cool in the summer with the balcony catching the westerly winds. As you enter the security door keeping everyone safe as you enter the foyer area. Walking into the unit you are welcomed with a large open plan living with a patio and neat galley kitchen all cooled with a split system air-conditioner. Two good size bedrooms with built in robes, main air-conditioned and has its own balcony big enough for a small table and chairs. Large bathroom with laundry to one side. With your own carport area and storage cupboard makes this property a great buy. Close to shops and transport. Currently tenanted till Jan 2024 at \$320 per week wanting to stay so great investment. Body Corp around the \$5000 per annum
