Unearth a serene living experience only paces from the Beach Street shops with this private two bedroom unit, ideally designed to please those seeking a lifestyle of sheer accessibility and retreat. Holding a cherished address between Frankston's two major arterials, convenience for the city commuter contrasts private proportions both inside and out. With an inviting atmosphere the result of a white-on-white colour palette and rich hard-wearing floors, the compact layout is quick to show off its light-letting proportions with an immediate lounge, open meals and practical kitchen complete with freestanding oven and breakfast bar. Making summertime entertaining effortless with a north-facing deck and astroturf yard, an inspiring outdoor space provides the perfect retreat for morning coffees and a magazine. Two bedrooms spill across carpeted floors, each with built in robes and sharing access to a central bathroom with combined shower and tub, private toilet and laundry facilities. With split-system heating and cooling, rear shed and a dedicated parking space on title, this prized opportunity for downsizers, professional couples or investors awaits only moments from local schools, shops and parklands.
