Gaze at the sun rising over the pacific every morning and setting over the city each evening. Immaculately presented throughout this top floor 2 bedroom apartment spans the width of the building capturing views out to sea and up the coast on the eastern side, and to the harbour on the western side. Set in a well maintained small security building that backs directly onto Christison Park and the coastal walk to Watsons Bay. Just a few doors from "The Grumpy Baker " café and easy transport routes. This is certainly one of the most enviable lifestyle positions in the east and represents an exciting future home buy or high growth investment. - Generous living/ dining opening to large east facing balcony - Two double bedrooms, both with harbour/city view- Modern kitchen stone top kitchen- Internal laundry - Lock-up-garage with work space/ store space- Currently leased
