This beautifully presented first floor apartment is well suited to the owner occupier or investor alike. The kitchen and bathroom have been tastefully renovated whilst the open plan layout provides a comfortable and warm feeling of space. An east facing balcony is the perfect place to take in the sunshine and sea breezes with a morning cuppa or an evening beverage. There is an oversized single lock-up garage on the ground level, providing ample space for storage or a vehicle. The complex itself is security gated. The location is just sensational...you can walk to everything Brunswick Heads has to offer, the bakery, cafe's, restaurants, shops and the famous Hotel Brunswick, along with the river and beach, are literally on your doorstep. Brunswick Heads is located just 15 minutes north of Byron Bay and 30 minutes from both Ballina and Gold Coast Airports. Apartments within this popular complex generally sell quickly.
