\$565,000

Nestled in the heart of the Wallsend neighbourhood, this charming single-level villa offers the enjoyment and convenience of peaceful living. Features include:

- Spacious Two Bedrooms with built-in robes and ceiling fans to relax and unwind.
- Prime Location: Conveniently situated near shopping, dining along with entertainment and leisure options, with the easy access to major arterial roads, public transport and intercity cycle/walking paths yet tucked away in a peaceful enclave.
- Attached Garage: Enjoy the ease and security of parking right at your doorstep, with internal access to your home.
- Contemporary Design: Immerse yourself in sleek, fresh interiors adorned with stylish finishes, offering both functionality and elegance.
- Outdoor Retreat: Step outside to your private courtyard and embrace the tranquillity of lush surroundings, perfect for morning coffees or evening relaxation.
- Modern Bathroom with its large, oversized shower and featuring sleek fixtures and designer touches.
- Spacious well-designed kitchen offers strong functionality.
- The comfort and convenience of split system air conditioning, ceiling fans, gas heating and a second toilet.

Whether you're starting a new chapter or seeking the perfect retreat, this villa offers the ideal blend of comfort and sophistication. Schedule your inspection today and make this modern oasis your own!
