Unwind in supreme comfort and style at the end of the working day thanks to the warm & welcoming interiors of this beautifully finished sun-filled haven. Set well back from the road at the heart of a quiet contemporary group, a foyer with soaring two-storey void beckons guests inside, flooding the interiors with abundant natural light. Downstairs, discover an open-concept living/dining and kitchen area which extends seamlessly outside to a private easy-to-maintain courtyard for effortless entertaining. Two robed, king-sized bedrooms are tucked away upstairs together with a landing retreat/study area with skylight. Crowned by high ceilings, one of the bedrooms has the luxury of its own private balcony for open-air relaxation while the second bedroom boasts direct access to the bright two-way bathroom. Freshly painted and with absolutely nothing to do, the home also features a guest powder room, European-style laundry and split systems along with an auto garage with house entry. The enclave itself includes a number of visitor's parking spaces for the convenience of friends & family. Metres to Parkdale Plaza for daily essentials, this wonderfully central address is well-serviced by bus routes and just moments to area schools, parks and Woodlands Golf Club while the Nepean Highway is easily accessible for a stress-free commute. Parkdale Secondary College zoned. For more information about this easy-care oasis contact Aidan Oke at Buxton Mentone on 0430 137 587
