Tucked away in a leafy pocket around the corner from iconic Bill's Café on Crown Street, this north-facing 2-bedroom 2-bathroom apartment impresses with its spacious layout, wide balconies, leafy outlooks and 2-car parking. Overlooking manicured gardens and sparkling pool, this tranquil top floor retreat has no direct neighbours. A discrete entry to the building gives little hint of its incredible appeal in a resort-style security complex just moments to bars, restaurants and 550m approx. to Central train station. • North aspect on top floor in Chelsea Court building • Beautiful common gardens with pool & heated spa • Living & dining flows to sunny north-facing balcony • Entertaining balcony, 2nd balcony off both bedrooms • Main bedroom with ensuite, both bedrooms with b/ins • 2 fully-tiled bathrooms, main with shower above bath • Home office/study nook, laundry with sink & storage • Plantation shutters, floorboards, cross flow ventilation • 2 car spaces (side-by-side) in basement parking area • Footsteps to cafes and dining in the heart of Surry Hills
