\$440,000 - \$470,000

There are very few opportunities these days to secure an affordable home in Kilmore, and sometimes it seems that finding a home is an almost impossible task. Well im about to brighten your day, because this great townhouse in an established area will certainly pique your interest. Featuring split systems, two living areas, central kitchen and a truly surprising undercover outdoor area, you will have everything you need to live a downsized lifestyle or move into your first home.
