Setting a new standard for inner suburban living, this new townhome, in a boutique complex of six, offers a sophisticated statement in functionality and aesthetics. Situated in a sought-after pocket of Carina Heights, it has been carefully planned to maximise space, balancing comfort and luxury. Pursuing a versatile yet simple design over three levels, you will discover the ultimate lifestyle package you won't want to miss. Ambient and open, this residence is oriented to welcome natural light and airflow. The kitchen is designed to form the heart of the thoughtful, open plan design, seamlessly connecting the dining, living and open terrace space. The second level will feature three spacious bedrooms, the master boasting an ensuite & walk-in robe. Features: • 3 well-appointed bedrooms • Master equipped with walk-in robe & dual vanity ensuite • Bespoke kitchen with stone benchtops • Ducted air-conditioning • Alfresco dining terrace • Cleverly designed double garage with storage and access to an additional landscaped courtyard. The vision for 'Il Sogno' grew from a need to satisfy the increasing and somewhat conflicting demands of a contemporary lifestyle. These modern townhomes offer modern solutions by creating house-like proportions in a much sought-after location. Only 15 minutes from the Brisbane CBD, live your dream at 'Il Sogno'.
