A designer sanctuary on the edge of Woollahra village, this private garden apartment is secluded to the rear of a boutique Art Deco block with leafy greenery all around creating an oasis-like feel. Stylish contemporary interiors take their cues from nature with a pared-back palette and finishes in stone and timber that make a perfect contrast to the lush garden beyond. Hidden from the street, the two-bedroom apartment features its own private entry and only one common wall making it an appealing alternative to a semi. In a classic block of 10 just around the corner from Queen Street, this chic Woollahra abode offers walk-everywhere convenience just 800m to Westfield and Bondi Junction station and 600m to the Woollahra Gates to Centennial Park.
