This three-bedroom apartment is absolutely immaculate throughout, but it's difficult to look past the centrepiece: a huge entertainer's balcony. Perfect for dining or socialising and covered to ensure it's weatherproof, this balcony comes straight off the lounge area and creates a lovely airy feel throughout this whole apartment. Screens throughout, a tiled living area and air-conditioning ensure this low-maintenance home is comfortable all year long. The gourmet kitchen features gas appliances and a stainless-steel dishwasher, as well as stylish stone benches. With three large bedrooms this is the ultimate share apartment, as it also features an ensuite and generous main bathroom. Located in an enviable inner-city spot close to major shopping hubs and lots of quirky dining options, this great value apartment will prove very popular.
