If you want home with exquisite finishes and a location that provides a fantastic lifestyle easy walking distance to one of Perth's most renowned café and restaurant strips, then this 3 bedroom, 2 bathroom villa in near-new condition is going to be at the very top of your list. You have East Victoria Park's famous 'foodies' paradise on Albany Highway just 50m away, reputed to be Perth's longest dining strip, also providing a multitude of transport links for easy access to Perth City. This quality home is set well back from the street and sensationally private. Attention to detail is superb and includes high gloss porcelain tiles in the living areas, modern textured carpets in the bedrooms and wonderfully high ceilings throughout, giving it a real sense of light and space. The layout has the open plan living, kitchen and dining rooms toward to rear of the home, opening through glass sliding doors to the covered rear patio; perfect for cool, casual alfresco meals. The kitchen is modern and immaculate with a breakfast bar bench, stainless steel appliances and loads of storage space. The cool, contemporary neutral colour palette here is continued throughout the home. In both bathrooms dark timber grain cabinetry is contrasted superbly with fresh white tiles and subtly textured stone vanity tops. The main bathroom naturally has a bathtub. The roomy master bedroom is at the front of the home and well designed to capitalise on natural light. It flows seamlessly to the modern ensuite which has an abundance of vanity storage space.
