This terrific abode is immaculately renovated to a high standard to create a stylish living environment with nothing to spend. Understated externally but stunning internally, this upper-level property is also in a peaceful end position and is close to the Melville Plaza Shopping Centre and the Melville Recreation Centre. The location offers plenty of local dining choices and many recreational options close by. Light and airy with an air-conditioned living and dining area, a bright white and well-appointed kitchen with integrated dishwasher and 2 spacious bedrooms, main also with air conditioning and both with built in robes. The bathroom/laundry is sparkling clean with plenty of storage and new hot water system. You also have your own cosy balcony with city building glimpses, undercover carport for the wheels and there is also a large external grassed area. With properties like this snapped up quickly you better get your skates on !
