Effortlessly cool and offering a lifestyle befitting its premier Elwood location, this low maintenance street-fronted townhouse presents light-lavished spaces that focus on easy liveability. Securely set within a stylish group, the home is literally metres from a great coffee and fabulous dining experiences, whilst the foreshore parklands and soft sandy beaches are merely five minutes' stroll away. A reverse floorplan maximises the light to the upstairs living zone which features a raked ceiling adding to the sense of space. An attractive setting for entertaining loved ones beside the gas fireplace in the cooler months, when the weather warms up you can throw back the doors to the sundrenched BBQ terrace perfect for long summer evenings. Back inside, the kitchen offers stainless steel appliances including a Miele dishwasher set beneath stone benchtops, whilst a timber/aluminium island bench is ideal for casual drinks or meals. Storage and a powder room on this level are an added convenience – tucked away downstairs are two good-sized bedrooms both with ample built-in wardrobing and opening out to the wraparound patio – a doggy door from the master keeps even the furry residents happy. A sparkling bathroom/laundry here along with split systems, ceiling fans and internal entry to an oversized auto garage with storage are on a long list of highlights that is wrapped up by an alarm and remote gate to the complex. Metres to bus stops and close to shops, this prime position is also within moments of Elwood College.
