Centrally located in a prime area of Buderim in the 'Bayview on Buderim' complex is a very well-kept spacious unit with ocean views. A light, fresh and spacious unit with excellent breezes flowing through, all on one level. A thoughtful design allowing for a full-sized lounge suite in the living area which has direct access to the huge 7.5m balcony that acts as a second living area. The garage is approximately 8.4m x 3.2m allowing for a workshop area or storage of push bikes and golf cart. The unit is set back off the main road allowing for a peaceful lifestyle. The location couldn't be more perfect and you will enjoy the friendly atmosphere of this complex with decent Body Corp fees that includes building insurance and building maintenance.
