UNFURNISHED - This freshly painted unit has two bedrooms that are tiled with new air conditioners to the bedrooms and built-in robes and an ensuite to the main. The practical kitchen includes plenty of cupboard space, pantry and breakfast bar which adjoins to the separate dining and lounge areas. There is a separate bathroom and toilet facilities, and internal laundry. The private balcony is ideal to entertain friends. The complex offers intercom access and undercover secure parking for 2 cars. A neat and tidy complex with only 2 unit per floor and only 7 in the complex. Sorry, no pets. Unfortunately no lift
