The views are what makes this one bedroom apartment stand apart from the rest! Delightfully positioned with easy access to Footscray shopping, trains, and trams to the CBD. Set on the top floor of a small block, with undercover parking, this classically designed, freshly painted apartment with brand new carpets throughout, offers entrance, living/dining room, with brand-new split system, opens to a private balcony with those incredible views to the CBD and beyond, generous main bedroom with floor to ceiling built-in robes with mirrored dresser, separate brand-new kitchen with more views, ample storage, and stainless steel appliances, bathroom with large shower recess, all flooded with natural light. The laundry, located on the same floor, is shared with only 1 other apartment, allowing you space for a washer and dryer.
