Set at the front of perfectly maintained boutique block of only six single level owner-occupied units, this solid, art deco villa defies expectations with an up-to-the-minute en vogue renovation & true serenity that delights the senses. Mature manicured gardens are a perfect prelude to the character filled exterior, matched only by an elegant renovation with a blend of unique contemporary style and deco features such as hardwood floors for everlasting flair. Ambient light graces the open plan living & dining room, furthered by picturesque garden views through the original feature windows and is easily served by the cleverly designed kitchen including timber cabinetry, a stainless-steel Bosch dishwasher and a 900 mm Smeg oven, deco tiling & delicately preserved deco features. The oversized main bedroom is enhanced by extensive built-in cupboards, followed by another large bedroom with the timber cabinetry. A chic bathroom features calming colours, a big frameless open shower, beautiful terrazzo flooring and laundry facilities. With an open fireplace, smart heating, security doors, a private carport at your back door and never-ending park-like communal gardens for year-round living & dining, it all comes complete with a communal shed and laundry, concluding this whisper quiet home a walk to McKinnon and Centre Rd shopping villages and transport, family friendly amenities, and a few doors from the Elster Creek Trail leading to Allnutt park.
