This tri-level absolute waterfront brand new property offers a perfect balance of coastal luxury and low-maintenance living, with sophisticated interiors and a magnificent outlook. Set in the stunning Wayfarer Residences on Redland Bay's sparkling shores, this villa is a must-see. The residence perfectly complements its picturesque surroundings with beautifully crafted details, such as high-quality engineered timber floors, full-height glass, and a calming neutral colour palette. The property's appeal is enhanced by natural stone accents and high-quality fittings. The residence has a private front courtyard and a spacious open-plan living and dining area on its middle level. This elegant central space is connected to a flawless kitchen that showcases reconstituted stone benchtops, a mirrored splashback, Ilve appliances, a brushed nickel finish mixer tap, and an abundance of soft-close cupboard storage. The living and dining areas flow effortlessly onto the absolute waterfront balcony area where you enjoy scenic Weinam Creek views from your own fully-fenced rear courtyard. This is the perfect spot to entertain family and friends in style whilst enjoying the cool breeze off the water. The middle level of the house is adorned with a charming study nook, perfect for focused and dedicated work. Additionally, a separate living area awaits on the upper floor, providing a serene space for relaxation. From the ensuited master bedroom, one can indulge in picturesque views of the flowing creek below. Accompanying the master are two more bedrooms, each equipped with luxurious built-in wardrobes and adorned with plush, 100% pure wool loop pile carpeting. The main bathroom exudes perfection, boasting a sleek frameless shower and exquisite wall-mounted mirrored cabinetry. Featuring a distinct powder room and an internal laundry on the intermediate floor, this exquisite villa further boasts a secure dual garage and a versatile workshop area, perfect for storing your cherished jet ski or boat, all conveniently accessible from the comfort of your living room. Feature filled with ducted air-conditioning, an electric hot water system, and ample storage facilities this absolute waterfront home offers its new owners an exceptional and refined living experience.
