This lovely townhouse is so neat and tidy and is just waiting for your inspection. All 3 bedrooms are upstairs, and all have ducted reverse cycle air conditioning. The master bedroom has an ensuite and there is a separate toilet upstairs. Downstairs is very nicely laid out and features timber floors, a big kitchen, a large family area, and separate meals area. The living area has split system reverse cycle air-conditioning and has direct access to the large front courtyard. This home is light and bright, and the kitchen is well equipped and functional. Downstairs off the laundry is another separate toilet and the lock up garage which includes a separate store room. In a small group of only 6 (and containing mostly long term owners) the group has very low strata fees as well as boasting this fantastic and convenient location which is so close to pretty much all that fabulous Maylands has to offer. This lovely home really does provide the ideal place to call home or to buy as an investment. I think upon inspection your decision to purchase should be an easy one so do not snooze, or you will lose. CONTACT BRETT NAZZARI on 0418 900 571 FOR ANY FURTHER INFORMATION.
