Introducing two stunning, brand-new residences nestled at 6 and 6B Goold Street, Burwood. These contemporary homes epitomize modern luxury and offer an unparalleled living experience. 6 Goold Street boasts five spacious bedrooms, each accompanied by its own full ensuite bathroom, ensuring utmost comfort and privacy for every resident. Meanwhile, 6B Goold Street impresses with six generously-sized bedrooms, each also featuring a full ensuite for ultimate convenience. Both residences are meticulously crafted with split system heating and cooling throughout, guaranteeing year-round comfort regardless of the season. Full blinds adorn every window, offering both style and privacy at your fingertips. Step into the bathrooms, adorned with full-height tiles, exuding elegance and sophistication. The meticulous attention to detail is evident in every corner of these homes, promising a lavish lifestyle for its fortunate inhabitants. Positioned adjacent to the serene Lundgren Chain reserve, residents can revel in the tranquility of nature right at their doorstep. For those commuting, the proximity to the 767 bus station and 75 tram station ensures effortless travel connections to various parts of the city. Convenience is key with an array of dining options and the esteemed Deakin University within walking distance. Furthermore, the renowned Burwood Brickworks and Burwood One Shopping Centre are just a stone's throw away, offering a plethora of shopping and entertainment choices. Families will appreciate the convenience of being situated within the catchment zones of Ashwood High School and Essex Heights Primary School, renowned for their academic excellence and nurturing environment.
