Without doubt, you'll be excited and inspired by this magnificently renovated Villa with grass, decked and paved rear garden. It's love at first sight! Flooded with natural light, impressively packed with well thought out storage solutions and fitted out from head to toe with very tasteful, high end fittings and fixtures. The garage and shed add to the convenient package and the setting is tranquil and conveniently located near shops, transport and beach. The list of luxuries include an entertainers kitchen, full separate laundry, split system heating/cooling, engineered timber flooring and the ultimate low maintenance future. This property is available from the 24th May. Please call Agent for further details.
