**\$620,000 - \$680,000**

Offering a secluded, light filled sanctuary beyond a private courtyard entrance, this astutely renovated two bedroom townhouse delivers exceptional living in a low maintenance setting. Beautifully defined by polished concrete floors, high ceilings and vast glass aspects providing seamless connection to front and rear gardens. The large open plan living, dining areas are ideal for relaxing and entertaining. A contemporary style kitchen is a further highlight. Featuring stone counters, plentiful storage and induction cooking/stainless steel appliances. Ascend the stairs to two well-scaled bedrooms enjoying built-in robes, leafy treetop vistas and sparkling bathroom integrating laundry zone. Complemented by split-system air conditioning, storage and designated undercover car space. Stroll to North Essendon Village shops, endless cafés, Woodlands Park, schools and public transport.
