The iconic curved Holgar & Holgar designed building, "Fountain Court" is a perfect expression of splendid mid-century design, setting the tone for expansive entertaining within. Significant proportions, solid construction & an exquisite style are cornerstones of this house sized, first floor apartment. A separate entry reveals the naturally lit formal living & dining featuring floor-to-ceiling windows with curved walls that opens to a superb terrazzo balcony. The casual family domain includes an immaculate updated retro kitchen & meals for more intimate dining. The generous living & unique style continues with three oversized bedrooms, all with large windows & built-in wardrobes. The second bedroom has glorious original parquet floors & a master bedroom with garden views. An enormous 70s bathroom with a bath & separate toilet, laundry & cloak room complete this rare opportunity. Stunning manicured gardens, two undercover car spaces & storage room, heating & cooling all within minutes to Alma Village & exclusive schools.
