Be impressed by the courtyard capture and floorplan qualities within this impeccable two bedroom ground floor security apartment. Ideally zoned, inside comprises a classic entry hall, relaxed and segregated living and dining areas, an updated kitchen with stainless steel appliances, two neat bedrooms both with built in robes and a spotless bathroom that doubles as your laundry. The casual courtyard is your secluded slice of paradise, with the elevated alfresco deck owning the peaceful ambience with its beautiful outlook of leafy greenery. The surprise bonus is the adjoining lock-up storage room that can house your bikes, tools or larger items. A fabulous apartment, it's complete with hardwood timber flooring, reverse cycle air conditioning, video intercom and a carport. In a boutique solid brick building, between the Glen Huntly Road tram and the Carnegie train station, close to Koornang Road's fabulous flavours and fun times, the exciting development at Koornang Park and the zoned Carnegie Primary School.
