Seaside Stunner, Art Deco Apartment is sure to win your heart!

Built during the Roaring 30's this beautiful iconic building is admired locally and afar for its artisanship and unique welcoming courtyard that features the statue of classical mythological character Circe, overlooking tranquil fishpond.

Full of sunshine, the northerly aspect first floor apartment offers breathtaking views from every window that look out over the Glenelg skyline and horizon beyond.

Surprisingly large, with lofty character ceilings, living room, two elegant bedrooms, in addition to a study or relaxing reading corner. Sparkling clean bathroom, highlighted with onyx & pearl geometric tiles is in keeping with the era and while there are laundry facilities on site this room does accommodate fittings for your own washer.

Practical kitchen with open plan dining space, is ideal for on-the-go dinners, quick snacks, or relaxed family meals but with so many restaurants and cafes nearby it might be hard to stay home.

Refreshed recently with paint throughout and Brand-New carpets even though there are gorgeous floorboards underneath should you prefer the polish timber look. Split system's air-conditioning, efficient gas heater and assigned carport is provided but being so close to the action of Jetty Road you may not need a vehicle.
