An improver of a home set on a 1638m<sup>2</sup> allotment with the potential for subdivision (subject to council approval).Comprises three bedrooms, all with built-in robes, one bathroom and separate toilet. A good-sized deck wraps around the side and front looking onto your front yard and beyond.We suggest this home was built in the 1980's therefore, a fresh new colour scheme throughout would take this home to a new level of appeal.We expect this property to generate some quick attention so don't put off what you should do today.
