\$810,000

Light filled over two levels in a boutique complex, this contemporary townhouse on the edge of Northcote seamlessly blends modern design with urban convenience, while exuding a timeless classic style. Step inside and be greeted by an abundance of natural light creating a warm and inviting atmosphere throughout the home. The cleverly designed layout spans across two levels, offering two large bedrooms, the main with ensuite and private courtyard access, stylish bathroom, and with clerestory windows and soaring ceilings an open plan entertainers' kitchen, dining and living opening to an outdoor terrace. Other features include a secure garage with internal access, European laundry, storage, and split system heating and cooling. Close to St Georges Road and High Street, it has easy access to a plethora of amenities, including trendy cafes, boutique shops, schools, parks, and trails, plus trams and trains are also within reach, ensuring effortless commuting to the heart of the city.
