All class on Collins Street with an emphasis on state-of-the-art quality and luxury, these brand-new designer townhouses take low-maintenance executive living to the highly-prized next level of style, sophistication and seclusion. Set privately to the rear in a boutique block with exceptional security with video intercom entrance, remote-control garaging doors (common and private) and alarm system provide peace of mind while superior comfort throughout a double-glazed interior is perfectly matched with multiple outdoor areas. Custom designed and quality built to exacting standards of excellence, these beautifully presented and light-filled homes showcase the finest contemporary fittings and fixtures with superb timber flooring, plush carpets, shining stone surfaces and split-system heating and cooling in every room. The ground-floor layout including a tranquil rear private courtyard with entertainment patio features two sizable bedrooms with built-in robes complemented by a stunning bathroom incorporating a large shower recess. A huge sky-lit, open-planned living zone where a premium all-new gourmet kitchen boasting Bosch stainless-steel appliances, sleek stone benchtops and soft-close drawers adjoins dining and living areas flowing to a north-facing undercover entertainment balcony. There's also a laundry, a storage cage and an internal secure basement garage that even includes EV charging point. Be the first to experience the best in a just-completed, high-end townhouse located in a quiet and convenient pocket with outstanding access to local cafes and shopping, Rosanna Village, Northland, Burgundy Street, Heidelberg hospitals, public transport, schools and LaTrobe University.
