Immaculate, Contemporary Living Meets Complete Convenience Lifestyle - A stylish renovation with thoughtful design and quality finishes has transformed this first floor apartment into a surprisingly spacious and sophisticated retreat for the modern professional. Set amongst tranquil surrounds on a tree lined street and is one of just 13 within a boutique security complex. Handy to parks, cafs and Manly Beach, it also offers excellent access to city transport. Accommodation - Featuring impressive open plan living, the interiors consist of a combined lounge and dining area, which unfolds from the contemporary gas kitchen with granite bench tops. There are two well proportioned bedrooms, each boasting a charming, leafy outlook plus mirrored built-ins. The modern bathroom is fully tiled and there is a concealed internal laundry plus undercover access to the huge lock-up garage. Features - Privately positioned towards the rear of the building, this is a carefree lifestyle haven, including a large, paved balcony with an enclosed section and a peaceful, sunny aspect. Further highlights are the polished timber floors, built-in shelves, intercom access and visitor parking. The remarkable location is directly opposite Manly Vale Community Garden and moments from Stockland Village shops. • Impressive open plan living and dining area • Modern granite kitchen with gas cooking • Large, paved balcony with sunny aspect • Polished timber floors, intercom access
