Located on a 745m² flat block in a quiet cul-de-sac and built in 1978, the home is solid and well maintained. Offering 3 generous sized bedrooms with built-ins, a centrally located bathroom and separate toilet. With the home north facing, the open plan kitchen/dining and lounge are drenched in sun all day. This home is perfect for those starting out in their property journey or those looking at downsizing to something more than a unit. At the rear of the property, there is a large undercover deck which overlooks the private and secure backyard, perfect for entertaining, children and pets. The undercover deck leads off to the single garage/mancave offering access through to the rear of the property via a second roller door. Local schools, sporting facilities, beaches, shops and public transport are all within walking distance and the CBD is only a 5 minute drive away, what more could you want? Easy access to the Bass Highway makes for an easy commute to either Devonport or Burnie. Other features of the property include - Fujitsu heat pump- Panel heater - Single car garage/workshop- Guttering has been replaced 2 years ago- Roof has been repointed 12 months ago
