An exciting opportunity has become available to purchase 600 m² of land in the highly sought-after suburb of Mount Sheridan. Family-friendly location, only minutes from schools, supermarkets and a whole range of other amenities. Let your imagination run wild as this property has endless potential. You can't help but imagine sitting back and soaking in the colours and the ambience as the sun slowly subsides over the west... Now that's living. With extremely strong interest from the marketplace already, this block will surely move fast. Don't delay – take advantage of this opportunity to secure your own piece of paradise.
