Discover prime real estate living in the coveted Ularara Estate. Nestled within a tranquil court setting, this fabulous family home offers an unparalleled lifestyle. Boasting four generously sized bedrooms, including a luxurious ensuite and walk-in robe in the master suite, comfort and space abound. The heart of the home lies within its expansive gourmet kitchen, complete with gas/electric cooking, seamlessly flowing into the spacious family/dining area. With double doors leading to the undercover alfresco, entertaining is effortless, overlooking the inviting inground pool. Entertainment options are endless with both a lounge room and a dedicated theatre room, catering to every family member's desires. Convenience is key with features such as ducted vacuum cleaning, auto sprinklers, double auto garage, solar panels, and reverse cycle heating and cooling ensuring year-round comfort. Additional highlights include two sheds, providing ample storage and workspace. A beautiful neutral palette throughout invites personalisation to suit any decor style. For those seeking a home that effortlessly blends space, luxury and convenience, this opportunity is not to be missed. Experience the ultimate in family living within this prime piece of real estate.
