Conveniently located on a large block so close to the CBD and local amenities, this high-set home is available for immediate purchase. With carpet-covered timber floorboards and high ceilings throughout, plenty of original features, and a practical floor plan, this light and bright property offers both character and comfort. As a blank canvas for those wanting to create a comfortable family home and lifestyle, the property is a mix of old-world charm and needing someone with that special touch to make it their own. Being high set, this property has huge potential! The home offers a large open lounge/dining and kitchen with plenty of storage and a walk-in pantry. The bedrooms are very spacious with two bedrooms enjoying a walk-in robe each and a third room with built-in cupboards. Bathroom with a bathtub and separate shower and separate toilet which is convenient and caters to a family. Downstairs boasts ample room for storage and dual tandem undercover parking with vehicle access to the sizeable rear yard. Fenced both sides and the rear of the property also has a small garden shed. Plus 2.5 kilowatt of solar panels .
