"Lovely low-maintenance 4 bedroom home in Kaduna Park!" This is your opportunity to grab a hot buy - a brand new home in a thriving community. It's truly a fabulous location, only a few minutes drive to the Monash Freeway, Cardinia Train station, shops and schools, the estate is not only tremendously located but it's also well known for its sense of community and great neighbours. Features of this contemporary home include:- Four carpeted bedrooms, master with walk in robe and double vanity ensuite;- Open plan kitchen, dining and living area;- Additional living zone at the front of the property;- Beautiful kitchen with stainless steel appliances including 900mm oven;- Ducted heating and cooling;- Timber laminate flooring in the living areas;- Outdoor undercover decked entertaining area;- Double garage on remote with internal access;- Low maintenance gardens front and rear (to be completed in first week of December). Come and have a look this weekend! An inspection will not disappoint. Ray White prides itself on being as accurate as possible however anyone considering purchasing the property should undertake their own due diligence to confirm the above.
