Sitting on the top side of the street this impressive family home catches all day sun with its nice northerly aspect and is only a short walk to Parklands High School. The home consists of 3 good sized bedrooms upstairs (master with ensuite), a main bathroom and a roomy living room that captures a partial glimpse of the ocean, downstairs you will find a large double garage, a 3rd bathroom and one of the biggest rumpus rooms that I have seen in a long time, which offers a world of different options all making for amazing family living. Well maintained and in excellent condition this property represents easy care living, with a securely fenced backyard and landscaped grounds. There is so much to like here and inspection will impress.*Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
