You'll have no outdoor chores to do except focus on shifting things back a gear [or two]. The main attraction – Firstly, a nearly new townhouse [the build was completed not even 12 months ago] with no body corporate fees. That's a win. Next, high end finishes like these: stone kitchen benchtops, multiple split systems upstairs and down, the luxury of two separate living zones, and two bathrooms plus a powder room. Your journey here starts this Saturday.
