\$679,000 - \$719,000

Nestled on a generous 699m² (approx.) allotment, this five-bedroom residence is a testament to spacious and stylish family living. All bedrooms feature Built-In Robes, while the master room offers Dual Walk-In Robes and an Ensuite. The heart of the home lies in the well-appointed kitchen, featuring plenty of storage and bench space. Seamlessly overlooking the dining and lounge areas, it becomes a central hub for family gatherings. With three separate living areas and a private study, this home offers plenty of room for a growing family. Step outside from the rumpus room to an undercover entertainment area that extends around the side of the property to a 2-car garage with drive-through access. A huge backyard provides plenty of room for family activities or entertaining guest. Offering great proximity to shops, schools, childcare facilities and freeway access. This property will not last long! Please call us to arrange your inspection today!
