That's what presents when you open the front door to this beauty. Warm and homely is the key to unlock your families dream. Comprises formal lounge with plantation shutters, perfect kitchen with all the trimmings for todays living, overlooking the well proportioned meals and family living with loads of natural light to use throughout the day. 3 double bedrooms with loads of storage and ensuite to main, there is also a separate space perfect for that home office/crafts or hobbies, or just a kids play room...this space is yours for the choosing. Outside presents a wonderful undercover outdoor living area including a built in BBQ area with good bench space, sink with hot and cold water at the flick of the tap, perfect for entertaining this summer. Well maintained manicured gardens with plenty of developing trees and good shed for storage. Call for a private inspection as this one won't disappoint.
