A great entry-level priced opportunity exists here to acquire this light and bright, retro retreat. Featuring fresh light neutral tones and timber floors throughout, it comprises 3 bedrooms, full bathroom, separate laundry, galley, style kitchen, and breakfast bar and a generous open, pan, living and dining area with gas log for winter warmth. A detached lock up garage and carport as well as gated access to front yard provides plenty of secure parking options for the tradie as well as those wanting to tuck the boat away.
