This very centrally located, low-maintenance home is all one level and a short, flat walk into town. It is perfect for retirees, those looking to downsize, investors, or those wanting easy care living. This delightful home boasts three bedrooms, all with built-in robes and quality window-coverings throughout. This home contains a large kitchen with an abundance of storage overlooking the low-maintenance backyard. A new Daiken ducted reverse-cycle air conditioning system for comfort all year round. On top of these features, there is a single garage with remote access and drive through access to the backyard. Proximity to the CBD is a significant advantage, offering convenience and accessibility to a wide range of amenities, including a shopping centre, restaurants, entertainment, venues, and transport. The low-maintenance nature of this property ensures that you can spend more time on the important things in life rather than home maintenance.
