First-class all the way A dynamic blend of regal stature and inspired executive-quality finishes achieves deluxe living within this exquisite five bedroom plus study masterpiece. A strong emphasis on decorative flourishes along lofty ceilings, balanced by European Oak parquetry is a glorious introduction to the sumptuous fire-side lounge and dining room. Lashings of Calacatta marble and extensive glazing sparkle in the broad open living/meals, connected beautifully to the under-cover alfresco with outdoor kitchen, and crystal-blue solar-heated pool/spa with trickling waterwall. The chef's-standard Miele kitchen benefits from the space and convenience of a fully-fitted second kitchen. Relish in the space and family flexibility of the study, substantial teen retreat and ground floor guest suite. Every enormous bedroom features a walk-in robe and full marble ensuite, while the luxe main bedroom is breathtaking with a balcony, nursery/study, retreat and hotel-style spa ensuite. A long list of luxuries have been included for your comfort, such as zoned ducted heating/air-conditioning, ducted vacuum, security and double auto garage with auto gates. In the illustrious Balwyn High School zone, walk to the bus with routes to nearby private schools, Westfield Doncaster, Box Hill and the CBD.
