This beautiful, modern family home brings in all the entertaining vibes as soon as you step onto the property. As you enter the home you will be met with the open plan kitchen/dining/lounge area that is complete with a new fire place that has been ducted throughout the home and a reverse cycle air conditioner to cater for all types of Tassie weather. The lounge area opens out onto the large private deck that has a built in swim spa and Tiki Bar, that then steps down onto another covered area that has a built in wood fire pizza oven, BBQ area that is complete with fridges and a smoker. While you and your friends and family are cooking up a storm, the kids have plenty of space to play in the fully landscaped backyard. Set on a large flat block this family home boasts 4 bedrooms, 2 with walk-in wardrobes and 2 with built-ins. The 4th bedroom is located at the rear end of the property and is set off a second lounge room/family room and bathroom, so it would be perfect as a guest space, teenagers retreat or even for older family members that are living with you that still need their own space. The family room has direct access out to the entertaining area also. Out the back you find a large double garage, plenty of room to park boats, trailers etc and a large carport with plenty of driveway space. This is one property not to miss.
