Located in a quiet complex conveniently located to shops, public transport and schools, this unit is renovated and ready to move into. The apartment was fully renovated in 2023 with a brand new kitchen, new flooring throughout, internally painted, upgraded fixtures and window coverings, and presents beautifully. The unit is currently partially furnished with sofas, queen beds, and some other items. The unit is fully air conditioned over two levels with the living area, laundry and modern kitchen and guest toilet all on the lower level. There is a lovely, private courtyard for you to enjoy al fresco dining or just unwind from a long day. Upstairs there are two large bedrooms, both with air conditioners, ceiling fans & built in wardrobes. The master bedroom also offers a private balcony over your courtyard below, accessed through large glass doors. There is a second toilet and main bathroom which have also been tastefully upgraded. This unit is a must see and offers modern living with all the conveniences you could ever need. There is under cover parking at your door step and even a pool for you to enjoy over the coming Summer months. The complex is also cat friendly and the owner will consider a pet for the right applicant. Please don't let this one get away. Please CALL to book in an inspection time. Applications are welcome prior to inspecting but will not be processed until the property has been viewed.
