Nestled in a lovely quiet court on a generous sized allotment there are many features to this house that will impress. A super kitchen that adjoins a naturally lit open living area, two renovated bathrooms, spacious and light lounge room, three generous sized bedrooms and a supersized laundry/utility room with loads of storage. Additionally, the property has a 5kw solar system to help cover all your electricity costs, reverse cycle split system, and modern appliances. A high brick fence ensures privacy and the lovely block has plenty of room front and rear for the kids and the toys to be parked whilst housing a double garage, an attractive easy care garden which complements the home plus a north facing paved al-fresco area which is great for entertaining. Situated within walking distance to schools and recreational facilities, this home wont last long. Available 31st May 2024. Please complete an online application for this property prior to requesting an inspection.
