Step into a world of potential with this charming 1950's home brimming with possibilities. Set on a generous 664m² in a private street, this north-facing property basks in natural sunlight. A beautiful concrete pool that's bathed in sunshine is a centrepiece of the rear yard along with the front garden that is pristinely manicured. Boasting three bedrooms + a study, two bathrooms and spacious open plan living areas along with a convenient double carport. This home offers comfortable living as is with its large entertainers balcony of the living areas, with immense potential to transform into your dream residence. Imagine waking up to picturesque Garigal National park, Narrabeen lakes and ocean views - a reality that's within reach with thoughtful additions and renovations subject to council approval. Located in an ideal neighbourhood, you're just moments away from schools, public transport, and local shops. This property isn't just a house; it's a canvas awaiting your creative touch. Enhance and expand to unlock substantial views and value. Don't miss this opportunity to create the home you've always desired in a location that's simply unbeatable!
